RE: Five-Year Review of Reclamation Surety Estimate, Utah Marblehead,  
LLC, Permit M/045/003, Tooele County, Utah

Dear Mr. Hedberg,

During this reporting period no mining activity took place within the boundaries of the Utah Marblehead, LLC quarry. The Mine Reclamation Plan, or MRP, submitted April 1998 contains numerous maps that show the requested information. Please review the 1998 MRP and advise if additional submittals are required.

Your September 11, 2002 letter was addressed to the Utah Marblehead Lime Company. In 1999, Utah Marblehead Lime Company was converted to a limited liability company known as Utah Marblehead, LLC.

To complete our files a copy of the 1997 reclamation surety estimate is requested. Please send a copy to my attention at the Kentucky address.

If additional information is required or questions arise, feel free to contact me at 1-859-472-8212.

Sincerely,

Garth Kuhnhein  
Director of Mining Engineering
